You must produce a valid vaccination certificate on the day you bring your pet(s) in for boarding.

We will be pleased to accept animals for boarding on the following basis: All dogs must be inoculated and have the necessary annual booster injections against infectious canine hepatitis, Distemper, Leptospirosis, a Parvo-Virus and **Kennel Cough**. In the event of injury to or illness of a dog, we will instruct your designated veterinary surgeon, or use the services of our own appointed vet. Vet fees incurred as a result of any illness, injury or disability will therefore be the responsibility of the owner(s). The animal's owner accepts and agrees that whilst every care and attention is given to the animal(s), they are accepted by Barnetby Boarding Kennels at the owner's risk. Also, belongings (such as toys, blankets, beds, leads, collars, feeding bottles, bowls, carriers and cages) are left at the owner's risk.

When a booking is made, a fixed date on which the owner will collect the animal will be agreed. If the owner wishes to collect the animal before that date, they may do so but will remain liable to pay boarding fees up to the agreed collection date.

PLEASE NOTE: Christmas Day, Boxing Day, and New Year's Eve are all charged at double rate.
